

## Publications and Reports

- Preis A, Tchignoumba L, Moussavou G, Princée F, Rietmann S and Feistner A (2023). Spatially targeted hippopotamus survey and monitoring in the southern part of the Gamba Complex of Protected Areas, Gabon. *Suiform Sounding*, 21(2):15-22
- Princée FPG (2021). What do studbook data reveal about the effects of climate on neonatal survival and seasonality in births? In: *RED PANDA Biology and Conservation of the First Panda*, second edition, Glatston AR (ed). Academic Press, London UK, pp 311-327.
- Glatston AR, Princée FPG and Boer, LEM de (2021). Are there two species of red panda? Are they equally threatened with extinction? In: *RED PANDA Biology and Conservation of the First Panda*, second edition, Angela R. Glatston (ed). Academic Press, London UK, pp 421-434.
- Princée, FPG (2016). *Exploring Studbooks for Conservation and Management*. Topics in Biodiversity and Conservation Volume 17. Springer Nature (291 pages).
- Princée, FPG and Glatston AR (2016). Influence of climate on the survivorship of neonatal red pandas in captivity. *Zoo Biology* 35(2):104-110.
- Princée, FPG (2013). *Biomonitoring Survey 2011-2012 in Dzanga-Sangha Protected Areas*. Report for WWF-CAR, Bangui, CAR (65 pages).
- Blake S, Princée F and Strindberg S (2012). *Evaluation of the CARPO/GHoA Biological Monitoring Programme*. Report to WWF-CARPO, Yaounde, Cameroon. (153 pages)
- Princée, FPG (2011). *Recensement et Evaluation des Bases de Données du Volet Conservation au Aires Protégées de Dzanga- Sangha*. Report for Conservation department, Dzanga-Sangha Protected Areas, CAR (11 pages).
- Princée, FPG (2011). *Population Viability Assessment of the Western/Lowland Bongo in Dzanga-Sangha Protected Areas*. Report for WWF-CAR, Bangui, CAR. (46 pages).
- Princée, FPG (2006) *Packard/MODEF sub-project "Integration of biodiversity and socio-economic data", Annual report 2005-2006*. Centre Valbio, Ranomafana, Madagascar (17 pages).
- Driciru M, Siefert L, Prager, KC, Dubovi, E, Sande, R, Princée, F, Friday, T, and Munson, L (2006). A serosurvey of viral infections in lions (*Panthera leo*), from Queen Elizabeth National Park, Uganda. *Journal of Wildlife Diseases* 42(3):667-671.
- Princée, FPG (2003). *Genetic Management Strategy for Reintroduction of Scimitar-horned oryx (Oryx dammah) in Tunisia*. Report for Marwell Preservation Trust, Winchester, Hampshire, UK. (18 pages).
- Bauer, H, De longh HH, Princée, FPG, Ngantou, D (2003). Research needs for lion conservation in West and Central Africa. *C. R. Biologies* 326:112-118.
- Princée, FPG (2002). Dutch Foundation Zoos Help: 5 years on the road. In: *Proceedings of 1st Forum about In Situ Conservation Projects by European Zoos, Angers, 12-14th July, 2002*. Zoo de Doué-la-Fontaine, Doué-la-Fontaine, France (CD-ROM).
- Princée, FPG (2001). Research in zoological gardens. *Lutra* 44(2): 75-80.
- Princée, FPG (2001). Genetic management of small animal populations. *Lutra* 44(2): 103-112.

- Melissen, A and Princée, FPG (2001). Genetic management of European otters (*Lutra lutra*) in European zoos. *Lutra* 44(2): 113-117.
- Bauer, H, De longh HH, Princée, FPG and Ngantou, D (eds.) (2001). *Status and needs for conservation of lions in West and Central West Africa: An Information Exchange Workshop report*. IUCN/SSC Conservation Breeding Specialist Group, Apple Valley, MN.
- Princée, FPG (1999a). Population management : software, courses and manuals. In: *EEP Yearbook 1998/99 including the Proceedings of the 16th EAZA Conference, Basel, 7-12 July 1999*, Rietkerk, F, Hiddinga, B, Brouwer, K and Smits, S (eds). EAZA Executive Office, Amsterdam, pp 524.
- Princée, FPG (1999). Foundation Zoos Help. In: *EEP Yearbook 1998/99 including the Proceedings of the 16th EAZA Conference, Basel, 7-12 July 1999*, Rietkerk, F, Hiddinga, B, Brouwer, K and Smits, S (eds). EAZA Executive Office, Amsterdam, pp. 580.
- Princée, FPG (1998). *Population Management: Managers as Detectives*. National Foundation for Research in Zoological Gardens, Amsterdam (31 pages).
- Princée, FPG (1998). *Genetic management of small animal populations in zoos and wildlife reserves: the use of genome models in estimation of genetic variation and the effects of social structures*. PhD thesis. University of Groningen, The Netherlands (153 pages).
- Princée, FPG (1997). Populationsmodelle im Management von Reliktbeständen: Den Zufall überlistet? In: *Populationsgenetik im Artenschutz, LöBF-Schriftenreihe, Band 14*, Schreiber, A and Lehmann J. (eds). Landesanstalt für Ökologie, Bodenordnung und Forsten/Landesamt für Agrarordnung Nordrhein-Westfalen, Bonn, pp. 131-142.
- Hooff, JARAM van, Rasa, A, Glatston, AR, Hardy, ICW, Kaumanns, W, Princée, F, Host, B, Zillich, U, Nevison, C, Krackow, S, King, C, Feistner, A, Hodges, K, Schmidt and Hofer (1997) Research in Zoos: From behavioral research to sex-ratio manipulation, General Discussion, *Appl. Anim. Behav. Sc.* 51, 293-306.
- Princée, F and Rietkerk, F (1996). EEP Questionnaire. In: *EEP Yearbook 1995/1996, including the Proceedings of the 13th EEP Conference, Saumur 20-24 June 1996*, Rietkerk, F, Brouwer, K and Smits, S (eds). EAZA Executive Office, Amsterdam, pp. 431-432.
- Princée, FPG (1995). Replacement strategies. In: *EEP Yearbook 1994/95 including the Proceedings of the 12th EEP Conference, Poznan 30 June- 2 July 1995*, Rietkerk, F, Brouwer, K and Smits, S (eds.). EAZA/EEP Executive Office, Amsterdam, pp. 441-442.
- Princée, FPG (1995). Overcoming constraints of social structure and incomplete pedigree data through low intensity management. In: *Population Management for Survival and Recovery: Analytical Methods and Strategies in Small Population Conservation*, Ballou, JD, Gilpin, M and Foose, TJ (eds). New York, Columbia University Press, pp. 124-154.
- Princée, FPG and Jongh, T de (1995). *The Dark Side of Moon - The Future of Nocturnal Houses in Europe*. Amsterdam, NFRZG.
- Belousova, IP, Govers, J, Princée F, Puczek Z, Raczynski J, Roth T, Wendt K, Dzieciolowski, R and Jaczewski Z (1995). Distribution and management of European bison in wildlife reserves and zoos. In: *Population and Habitat Viability Assessment for the European Bison (Bison bonasus)*, Puczek, Z, Seal, US and Miller P (eds). IUCN/SSC Conservation Breeding Specialist Group: Apple Valley, MN, pp. 9-15.
- Lacy, RC, Ballou, JD, Princée, FPG, Starfield, AM and Thompson, EA (1995). Pedigree

- analysis for population management. In: *Population Management for Survival and Recovery: Analytical Methods and Strategies in Small Population Conservation*, Ballou, JD, Gilpin, M and Foose, TJ (eds). New York, Columbia University Press, pp. 57-75.
- Princée, FPG (1994). The status of European zoo populations. In: *EEP Yearbook 1993/94 including the Proceedings of the 11th EEP Conference, Alphen a/d Rijn 15-17 June 1994*, Brouwer, K, Rietkerk, F and Smits, S (eds). EAZA Executive Office, Amsterdam, pp. 325-327.
- Princée, FPG (1994). Report of the meeting of the Computer Group. In: *EEP Yearbook 1993/94 including the Proceedings of the 11th EEP Conference, Alphen a/d Rijn 15-17 June 1994*, Brouwer, K, Rietkerk, F and Smits, S (eds). EAZA Executive Office, Amsterdam, pp. 337.
- Princée, FPG (1994). *Ontwikkeling van de Populatie Reeën (Capreolus capreolus) in de Amsterdamse Waterleidingduinen*. Stichting Nationaal Onderzoek Dierentuinen, Amsterdam (88 pages).
- Princée, FPG (1993). Categorization of EEPs according to management intensities. In: *EEP Yearbook* LEM de, Brouwer, K, K and Smits, S (eds). EAZA/EEP Executive Office, Amsterdam, pp 306-307.
- Princée, FPG (1993). Report of the meeting of the Computer Group. In: *EEP Yearbook 1992/93 including the Proceedings of the 10th EEP Conference, Salzburg 28-30 1993*, Boer, LEM de, Brouwer, K and Smits, S (eds). EAZA/EEP Executive Office, Amsterdam, pp. 323.
- Glatston, A.R. and Princée, FPG (1993). *A Global Masterplan for the Breeding of Ailurus fulgens in Captivity*. Stichting Koninklijke Rotterdamse Diergaarde (Rotterdam Zoo), Rotterdam.
- Lu, B, Glatston, AR and Princée, FPG (1993). Demographic and genetic analyses of the studbook population of *Ailurus fulgens styani*. In: *The Red or Lesser Panda Studbook, Number 7*, Glatston, AR (ed). Stichting Koninklijke Rotterdamse Diergaarde, Rotterdam, pp. 30-36.
- Princée, FPG (1992). Report of the meeting of the EEP Computer Group. In: *EEP Yearbook 1991/92 including the Proceedings of the 9th EEP Conference, Edinburgh 6-8 July 1992*, Brouwer, K, Smits, S and Boer, LEM de (eds.). EAZA/EEP Executive Office, Amsterdam, pp. 252.
- Princée, FPG (1992). Genetic and demographic analyses of Amur tigers. In *Tiger Global Survival Action Plan for Amur tigers*, Tilson, R, Foose, TJ and Princée, FPG (eds). IUCN/SSC Captive Breeding Specialist Group, Apple Valley, MN, pp. 38-58.
- Glatston, AR and Princée, FPG (1992). The red panda *Ailurus fulgens*, as an example of a Global Animal Survival Plan. In: *EEP Yearbook 1992/93 including the Proceedings of the 9th EEP Conference, Edinburgh 6-8 July 1992*, Brouwer, K, Smits, S and de Boer LEM (eds), EAZA/EEP Executive Office, Amsterdam, pp. 211.
- Tilson, R, Foose, TJ and Princée, FPG (eds.) (1992). *Global Survival Action Plan for Amur tigers*. IUCN/SSC Captive Breeding Specialist Group, Apple Valley, MN.
- Princée, FPG (1991). *Zooresearch Studbook Management version 1.04: software and manual*. National Foundation for Research in Zoological Gardens, Amsterdam.
- Princée, FPG (1991). Report on the meeting Computer Working Group. In: *EEP Yearbook 1991 with Summaries of Contributions and Discussions of the 8th EEP Conference, Budapest, 12-15 May 1991*, Brouwer, K, Smits, S and Boer, LEM de (eds). EEP

Executive Office, Amsterdam, pp. 206-207.

- Princée, FPG and Foose, TJ (1991). Managing population size: gambling or science? In: *EEP Yearbook 1991 with Summaries of Contributions and Discussions of the 8th EEP Conference, Budapest, 12-15 May 1991*, Brouwer, K, Smits, S and Boer, LEM de (eds). EEP Executive Office, Amsterdam, pp. 199.
- Boer, LEM de and Princée, FPG (1991). Training of EEP coordinators: considerations and report of discussions. In: *EEP Yearbook 1991 with Summaries of Contributions and Discussions of the 8th EEP Conference, Budapest, 12-15 May 1991*, Brouwer, K, Smits, S and de Boer, LEM (eds). EEP Executive Office, Amsterdam.
- Princée, FPG (1990). Selection against fox colour in Przewalski's horses (*Equus przewalski*) - implications for genetic management. In: *Proceedings of the Fifth International Symposium on Conservation of the Przewalski's Horse*, Seifert, S (ed), Leipzig Zoo, Leipzig, pp. 283-289.
- Princée, FPG, Zimmerman, W, Ryder, OA and Dolan JM (1990). The phenotypic approach in genetic management of Przewalski's horses. In: *Global Conservation Plan for Przewalski's Horses*, Seal US, Foose, TJ, Lacy, RC, Zimmerman, W, Ryder, OA and Princée FPG (eds). IUCN/SSC Captive Breeding Specialist Group, Apple Valley, MN, pp. 101-104.
- Princée, FPG (1989). Preservation of genetic variation in the red panda population. In: *Red Panda Biology*, Glatston, AR (ed). SPB Academic Publishing, The Hague, pp. 171-182.
- Princée, FPG (1989). *Zooresearch Studbook Management version 1.03: software and manual*. Stichting Nationaal Onderzoek Dierentuinen, Amsterdam.
- Princée, FPG (1989). Recent developments in the use of studbook software in Europe. In: *6th EEP Conference, Ouwehands Zoo, Rhenen, 21-24 May 1989*, Brouwer, K and Boer, LEM de (eds). National Foundation for Research in Zoological Gardens, Amsterdam, pp 25-27.
- Princée, FPG (1989). Integration of social structures in breeding programmes. In: *6th EEP Conference, Ouwehands Zoo, Rhenen, 21-24 May 1989*, Brouwer, K and Boer, LEM de (eds). National Foundation for Research in Zoological Gardens, Amsterdam, pp. 29-30.
- Princée, FPG (1988). Genetic variation in the zoo population of the red panda subspecies *Ailurus fulgens fulgens*. *Zoo Biology* 7:219-231.
- Princée, FPG (1986). Het behoud van genetische variatie in zeldzame huisdierrassen. *Zeldzaam Huisdier* 11(1):8-12.
- Princée, FPG and Boer, LEM de (1983). A new technique for obtaining chromosome preparations of small reptiles. *Chromosome Information Service* 34:3-5.
